KING SIZE PARTY

The family of Janice King held a benefit dance and art auction to celebrate Janice’s life and raise money to provide care for our patients. Many generous King family artists and friends participated in planning, promoting and entertaining at the event held at the Monticello Hotel in Longview.

Three generations of King family artists created a display of their work for guests to admire. A silent auction included art donated by friends and family members from across the United States and there were prizes donated by many local individuals and businesses. The King Brothers and friend Larry Moyer performed all evening as five generations of guests danced. The live auction was an amazing spectacle of original art. Bidding was lively, thanks to the direction of a talented volunteer auctioneer.

Janice King had a reputation for making sure everyone around her was entertained and she was a true party girl. This is the party she would have wanted. On behalf of the patients who will benefit from the generous donation from this event, we extend our sincere appreciation to our community for supporting Janice’s last party.

More than 500 guests attended the party and raised an astonishing $14,263 in memory of Janice.
Dear friends,

You show your great love to humankind through your financial gifts and volunteer time given to Community Home Health & Hospice in support of compassionate healthcare. This issue of Reflections highlights some of the many ways you partner with us to do great things. We are truly grateful for your contributions and the trust you place in us as we care for you and your loved ones.

Together, we have accomplished much over the past year. We reduced the number of our patients’ hospital return visits by 7% through our telehealth program. This program helps home health patients manage their chronic diseases at home. We increased service hours to home care clients by 14%. Our hospice nurses participated in ongoing education to achieve certification from the National Board for Certification of Hospice and Palliative Nurses.

To be good stewards of resources, we took advantage of low real estate prices and favorable interest rates to expand in Clark County. After leasing Vancouver office space for 23 years, we purchased property to build an inpatient hospice facility opening in January 2013. Even though we’re expanding just a short distance from our current Salmon Creek location, we’re taking a huge step toward meeting rising healthcare needs in the area.

The year ahead will be challenging because of healthcare reform and the economy. Our Medicare reimbursement was cut recently and our operating costs have increased due to new government regulations. So in this demanding environment, your continued support will be even more important to ensure the best healthcare for our community.

Your generosity inspires us. Thank you!

Greg Pang
Chief Executive Officer

"You opened the doors and let all of our family in - and it is a big one. You took great care of our grandfather as if you knew him all of his life, even though you only knew him for a day."

~ family of a Hospice Care Center patient
Thank you for joining me in supporting our mission of care, comfort and love. I give to Community Home Health & Hospice because it has touched my family in many ways. For example, my young grandson found refuge at the Camp Cedars children summer bereavement camp. You may be as amazed as I am by the number of donor names that appear on these pages. Clearly, our work has a profound impact on the people we serve.

Donations received from July 1, 2010 through January 31, 2011 are listed below. Names in blue indicate gifts made in honor or memory of a loved one. Some donors choose to remain anonymous. If you see an error, please contact Jonna at 360.414.5405 or jnicholson@chhh.org.

YOUR GIFTS DELIVER CARE AND COMFORT

As a nonprofit community-based organization, we devote resources for the good of the people in communities that support us. This includes patients and families who live in Cowlitz, Clark and Wahkiakum Counties in Washington and Columbia County, Oregon. Our care extends to individuals who are uninsured and underinsured.

“I want to thank everyone at Community Hospice and Community Home Care for their wonderful support of my husband and myself during his long illness. The weekly support that we received made such a difference in my ability to keep him at home.”

~Kimberly, wife of a patient

HOW CONTRIBUTIONS ARE USED

Area of greatest need......................... $228,478
Telemonitoring ................................ $189,332
Charity Care ..................................... $136,456
Wish list* ........................................... $32,568
Released to patient care endowment** .................................... $20,012
Children’s bereavement .................... $12,093

*Some people donate for specific purchases. For our current Wish List, contact Julie at 360.414.5406 or jrinard@chhh.org or see our website, www.chhh.org.  **Includes, but not limited to medications/prescriptions, technology and medical equipment/supplies for patients.

VITAL VOLUNTEERS

“I saw how hospice treated a treasured friend and family so I wanted to be a part of hospice. I’m proud when I tell people I volunteer at the Hospice Thrift Shop.”

~ Hospice Thrift Shop volunteer

This comment from a volunteer could have been made by any of our 215 volunteers who provided 19,904 hours of service to our community last year. The benefit to families we serve is immeasurable. Would you like to join our caring team? There are many areas of service. Volunteers play music in the Hospice Care Center, work outside in the landscaped areas, play games with grieving children, prepare packets of information for families, cook breakfast for patients, talk with donors about memorial plaques for their loved ones, raise money at fun holiday events, and hold hands with patients when families need a break. There may be an area that is perfect for you.

Contact us:
info@chhh.org
Clark County: 360.567.3553
All other areas: 360.414.5433

THE RESULTS ARE IN

Last year, 576 people completed our Hospice Thrift Shop customer satisfaction survey, representing a 62% response rate. We are pleased to report that 99% were happy with the quality of the merchandise.

Hospice Thrift Shop volunteers also completed a satisfaction survey. One hundred percent agree or strongly agree that the thrift shop is an excellent place to volunteer. We certainly appreciate our thrift shop volunteers as they make our customers happy! One hundred percent of the volunteers also agree that they would recommend to their friends that the thrift shop is a great place to volunteer.

CURE FOR A BAD DAY

A loyal Hospice Thrift Shop volunteer was having a bad day. She decided to donate $100 and asked if the store needed something in that price range. We wanted a mannequin to display some of the exquisite clothing that was donated. This pleased the volunteer, so we bought the mannequin and named it after her. She’s taken charge of keeping the mannequin beautifully dressed and accessorized.

CARE FOR FUTURE GENERATIONS

Over the years, your generosity has helped us provide compassionate healthcare to people at home. You can ensure we’re still here when you and your loved ones need us. Include Community Home Health & Hospice in your will, trust or estate plans and help us care for future generations. With a charitable bequest, for example, you can leave a specific amount, a percentage, or what remains of your estate after you have taken care of your family.

When you name us in your will, you become a member of the Community Legacy Society. Your lasting gift will support healthcare for future generations—and you may realize significant charitable tax advantages. Thank you if you have already arranged for a bequest or other legacy gift. It helps us plan for the future when you let us know about your gift. Contact Dev at 360.414.5465 or ddion@chhh.org to learn more.

For the third year in a row, we were named to the HomeCare Elite™, a compilation of the top-performing home health agencies in the United States. This annual review identifies the top 25% of agencies and further highlights the top 100 and top 500 agencies overall based on quality outcomes, quality improvement and financial performance. Our patients had fewer emergency room visits and hospitalizations while healing at home, resulting in faster recovery and lower medical costs for all of us.

For the past four years, we have been accredited by The Community Health Accreditation Program (CHAP), an independent nonprofit body that recognizes excellence in community-based healthcare.

“I appreciated the encouragement to become stronger. I took charge of my care in total safety.”

Betty, Community Home Health patient

OUR MISSION

Community Home Health & Hospice supports the healthcare and independent living goals of each patient and their loved ones by delivering the highest quality, compassionate and dignified care to individuals in their chosen place of residence.

Our volunteer Board of Directors and Foundation Committee members give their time and talent on a daily basis. We are grateful for their commitment.
FROM OUR SCRAPBOOK

POOL FOR A PURPOSE

Our employees enjoyed a pool tournament with the Guy Rathbun Post 25 American Legion in Kelso. The Legion organized the tournament as a fundraiser and used all of the proceeds to host a heartwarming Christmas party for the children in our grief support program. The party helped 28 children make joyful new memories. They enjoyed dinner, activities and individual gifts personally selected for each child and delivered by Santa. Our year-round children’s grief support program is open to all grieving children, not just hospice families, and it is completely free thanks to your generous donations!

HELPING FAMILIES TOGETHER

Individuals and community groups have come together to raise money in support of our patients and their families.

Ladies of the Lake Quilt Guild held a quilt raffle, Heidi Williams held a Scentsy fundraiser, several local retirement apartments hosted Christmas bazaars, City of Longview employees donated funds from candy sales, and Lone Oak Rifle & Pistol Club raised money through monthly pistol matches.

Do you have a fundraising idea? Would you consider hosting an event? Contact Julie at 360.414.5406 or jrinard@chhh.org.

DELIVERING A GOOD NIGHT’S SLEEP

Hospice patients count on us for the delivery of hospital beds with comfortable mattresses, oxygen supplies so they can breathe easy, wheelchairs for greater independence and other equipment they need at home.

Thanks to the generosity of Columbia Ford in Longview, we purchased a new van perfect for our needs. The van averages about 2,500 miles per month as we deliver, maintain and retrieve medical equipment at the homes of our hospice patients across four counties.
